

Archbishop MacDonald Catholic High School

Course	Physics 20 IB
Year	2026-2027
Term	Semester 1
Teacher(s)	Mark Breitreutz Mark.Breitreutz@ecsd.net
Resources	Digital textbook: app.kognity.com
IB Curriculum	LINK
IB Overview	The content that is specific to the IB curriculum that will be covered in Physics 20 IB will be mainly limited to topics that overlap with the Physics 30 Alberta Program of Studies. In some cases, some extra time will be required for specific IB topics that are extensions of the Alberta Physics 20 program.
IB Assessment	Only content from the Alberta Program of Studies affects the course grade. IB content is assessed formatively using IB standards.
