## IB Philosophy

MAC's courses use the IB philosophy to encourage the holistic development of all students. The Learner Profile and Approaches to Teaching and Learning are used at all levels so that students develop a better understanding of curriculum objectives. This course will focus on the Learner Profile for being Open Minded and Balanced because the study of Social Studies relies upon students viewing multiple perspectives and challenging their own beliefs. Our Approaches to Learning skill will be Self-Management and Research because the course relies upon students properly managing their time and understanding the research process.

## Assessment

The assessment plan for the course will be a balance of assessment for learning, assessment as learning, and assessment of learning. Your summative grade will be calculated ***cumulatively*** throughout the semester with the following:

Ideology Tests – 50%  
Ideology Writing – 40%  
Ideology Projects – 10%

*Part A Social Studies provincial diploma: Wednesday, January 14, 2026  
Part B Social Studies provincial diploma: Wednesday, January 21, 2026*

***The school awarded mark is based on 100% of the listed categories. Alberta Education will arrive at a blended mark which weighs the diploma exam at 30% and the school awarded mark at 70%.***

The code NHI may be used to represent coursework that has not been handed in. It is representative of a zero. In addition, the following may appear for a student in PowerSchool instead of, or in addition to, a numeric grade:
