## IB Philosophy

MAC's courses use the IB philosophy to encourage the holistic development of all students. The Learner Profile and Approaches to Teaching and Learning are used at all levels so that students develop a better understanding of curriculum objectives. This course will focus on the Learner Profile for being **Open Minded** and **Balanced** because the study of Social Studies relies upon students viewing multiple perspectives and challenging their own beliefs. Our Approaches to Learning skill will be **Self Management** and **Research** because the course relies upon students properly managing their time and understanding the research process.

## Evaluation

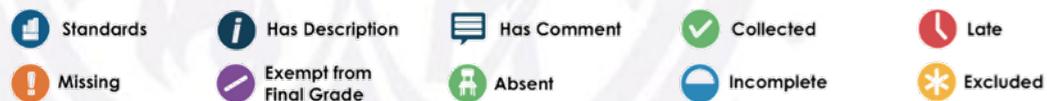

The school awarded mark is worth 80% of the final grade and is based on category weightings as follows:

Globalization Tests – 40%  
Globalization Projects – 15%  
Globalization Writing – 25%

The Final Exam is worth 20% of the final grade and is based on category weightings as follows:

Part B - Multiple Choice – 10%
