Overview Advanced Acting/Touring for Theatre is designed to develop an appreciation of theatre as an innovative form of performance art and communication that reflects diverse social, cultural and global perspectives. Students will develop a deep understanding of acting for stage and the theatre community. The course will provide additional opportunities for students to develop and refine skills and competencies.

General Outcomes

1. How can the artistic processes of theatre productions be understood, analyzed, and appreciated?
2. How can acting skills and techniques express thoughts, ideas and emotions through performance?

3. How can actors work collaboratively to explore and apply elements of performance and performance etiquette?

IB Philosophy

MAC's courses use the IB philosophy to encourage the holistic development of all students. The Learner Profile and Approaches to Teaching and Learning are used at all levels so that students develop a better understanding of curriculum objectives. This course will focus on the Learner Profile for THINKERS because we use critical and creative thinking skills to act on complex problems. Our Approaches to Learning skill will be THINKING because we emphasize skills such as reflection and critical thinking.

Assessment

The assessment plan for the course will be a balance of assessment for learning, assessment as learning, and assessment of learning. Your summative grade will be calculated **cumulatively** throughout the semester with the following:

Course Evaluation – The process of creation and rehearsal and the performance element are valued equally in this class. Quality performances are a result of quality preparation, and quality preparation will result in a higher caliber of performance.

Coursework 100%

- Student's growth and development during the rehearsal process in terminology, attitudes, and skills necessary to drama performances

2. When performing, an actor can be very vulnerable. It is very important for all class members to respect and support the work that their peers are doing. Treat your fellow class members as you yourself wish to be treated.
