

Diploma
Programme

Archbishop MacDonald Catholic High School

Course Physics 35 IB

Year 2025-2026

Term Semester 2

Teacher(s) James Kriese

Resources Kognity

IB Curriculum [LINK](#)

IB Overview The content that is specific to the IB curriculum that will be covered in Physics 30 IB will be mainly limited to topics that overlap with the Physics 30 Alberta Program of Studies. In some cases, some extra time will be required for specific IB topics that are extensions of the Alberta Physics 30 program.

IB Assessment Only content from the Alberta Program of Studies affects the course grade. IB content is assessed formatively using IB standards.
